

BME | BTC | Balatonfüred Knowledge Centre

VENUE FOR INTERNATIONAL STUDENT PROGRAMMES AND UNIVERSITY EVENTS

BALATONFÜRED KNOWLEDGE CENTRE (BTC) OF BUDAPEST UNIVERSITY OF TECHNOLOGY AND ECONOMICS (BME) OFFERS A MODERN AND INSPIRING ENVIRONMENT FOR INTERNATIONAL STUDENT ORGANISATIONS, STUDENT CLUBS, SUMMER SCHOOLS, WORKSHOPS, AND PROFESSIONAL EVENTS. LOCATED JUST MINUTES FROM LAKE BALATON, BTC COMBINES STATE-OF-THE-ART FACILITIES WITH A UNIQUE SETTING, CREATING AN EXCEPTIONAL EXPERIENCE FOR PARTICIPANTS.

IDEAL VENUE FOR

International student meetings and events
Workshops and trainings
Project competitions and innovation programmes
Events organised with partner institutions
Community-building, team-building, and networking events

What BTC offers

2 lecture halls, each with a capacity of up to 76 participants
5 classrooms for workshops and training sessions
4 modern computer laboratories
Several meeting rooms and an 80-person community space
Nearly 300 student workstations
High-speed Wi-Fi and modern audiovisual equipment

More than just an event venue

Balatonfüred is one of Hungary's most popular tourist destinations, offering participants the opportunity to combine professional programmes with cultural experiences, leisure activities, and the unique atmosphere of Lake Balaton. BTC is therefore an ideal choice for international student programmes combining academic and professional development with unforgettable community experiences.

COMMUNITY SPACES WITH PANORAMIC VIEWS OF LAKE BALATON

One of BTC's most distinctive features is its 160+ m² rooftop terrace, offering breathtaking panoramic views of Lake Balaton. It is an ideal setting for receptions, informal discussions, networking activities, and international networking events. In addition, the modern ground-floor community spaces can accommodate up to 80 participants.
