STUDY A WIDE RANGE OF PROGRAMMES IN ENGLISH

Pre-engineering Programme
Pre-MSc in Architecture
Structural Engineering pre-MSc Programme

BSc in Chemical Engineering
BSc in Civil Engineering
BSc in Computer Science Engineering
BSc in Engineering Management
BSc in Electrical Engineering
BSc in Logistics Engineering
BSc in Mathematics
BSc in Mechanical Engineering
BSc in Professional Pilot
BSc in Physics
BSc in Physicist Engineering
BSc in Transportation Engineering
BSc in Vehicle Engineering
OTM in Architecture
MSc in Applied Mathematics
MSc in Architect
MSc in Autonomous Vehicle Control Engineer*

MSc in Chemical Engineering*
MSc in Construction Information Technology Engineering
MSc in Computer Science Engineering*
MSc in Engineering Management
MSc in Electrical Engineering*
MSc in Finance*
MSc in Infrastructure Engineering*
MSc in Land Surveying and Geoinformatics
MSc in Logistics Engineering
MSc in Management and Leadership
MSc in Mathematics*
MSc in Mechanical Engineering Modelling*
MSc in Medical Physics
MSc in Physics*
MSc in Regional and Environmental Economic Studies*
MSc in Structural Engineering*
MSc in Transportation Engineering
MSc in Vehicle Engineering

Joint Master in Digital Twins for Infrastructures and Cities
Joint International Master in Smart Systems
Integrated Solutions

*Applications for these courses are open in both the autumn and spring semesters.

EXCHANGE PROGRAMMES, INTERNATIONAL SCIENTIFIC EVENTS, RESEARCH UNIVERSITY SCHOLARSHIPS, PROFESSIONAL INTERNSHIPS AT 1,200+ INSTITUTIONS IN 95 COUNTRIES

ERASMUS+ Study Mobility

– Short- and long-term study opportunities, as well as professional internships across Europe.

EELISA (European Engineering Learning Innovation and Science Alliance)

– One-week scholarship programmes at nine European partner universities.

CEEPUS (Central European Exchange Programme for University Studies)

– Exchange programme for higher education institutions in Central Europe.

ATHENS Programme

– Intensive short courses offered by 15 leading European technical universities.

Suzuki Scholarship Programme

– Research scholarship at Shizuoka University, Japan.

Pan-European Seal Traineeship Programme

– One-year professional internship at EU institutions in Spain, Germany, Luxembourg, or Belgium.

Naumann Etienne Foundation Scholarship

– Exchange opportunity with Georgia Tech, USA.
